### MISSION PARTNERS

## 2018 Summer Mission Trips

**Missions Partnerships- If you cannot go, Pray!**

We are seeking people who desire to enter into a committed, short term prayer partnership with our mission trip participants. This partnership will consist of regular communication with your assigned prayer partner and fervent prayer for them and

their needs. This partnership is short-term, ending with the return of the mission trip participant.

**Missions Sponsorships- If you cannot go, Give!**

We are seeking individual financial partnerships for our mission trip participants. We want to give you the opportunity to help provide financial support to those people who are going on a church sponsored trip. Already, the team heading to the Dominican Republic is purchasing their plane fares and will soon need the remaining funds for their trip. We will be utilizing the bulletin board outside of Room 103 to display the participants. Please learn who is going, and then find them and inquire about their financial need. You can impact lives by giving to those who are going. Be a part of the trip by helping cover the expenses of our missions trips this year.
